The B.M.S. Educational Trust (BMSET) is a prestigious institution which founded and manages the top class colleges viz., B.M.S. College of Engineering (BMSCE) , BMS Institute of Technology & Management, BMS College of Law, BMS College for women and others institutions.

B.M.S. Educational Trust Hostels are part of BMSET and BMSET Hostels in the campus of B.M.S. College of Engineering (BMSCE) provide accommodation to the students wishing to reside in the hostels. BMSET Hostels gives a distinct advantage of befriending with students from across the globe and expose them different religions, languages and customs of countries. Additionally, living as a community in the hostel will lead to all-round development of personality of a hostelite and will definitely go a long way in fostering world-class citizens.

Hostels are independent units in respects to its internal administration under the overall supervision of council of wardens and the hostel management. The hostels are located in the southern side and adjacent to the college campus and have a separate hostel office and mess within the hostel premises.

The mess has a centralized modern kitchen and a separate dining hall for boys and girls. General menus for each month is are decided by the hostelite representatives selected by the hostels. Special menus are introduced and served on all important festivals.

THE BMSETH HOSTELS: B.M.S College of Engineering has an extensive campus spread in nearly 15 acres of land. The area consists of several buildings – old and modern, with well laid roads, play grounds and lawns. Apart from this, the hostel complex on the southern side of the college campus consists various hostel blocks. The BMSET Hostel is a place to grow and evolve one’s personality. Academics indeed is one of the area of primary concern of our management as we are among the pioneers of education in our Country. One of the salient features of the Hostel is its care for students.
